Subject: SEPTEMBER 11 TRANSCRIPTS

The National Commission on Terrorist Attacks Upon the United States has requested first generation certified copies of *ALL* transcripts that were created by Air Traffic as the result of the events surrounding September 11, 2001. This includes transcripts of communications between all agencies, offices, facilities,

positions, ground-to-air, air-to-air, and air-to-ground, etc. Do not have any new transcripts prepared as a result of this request. Our office has been directed to produce these items immediately. Therefore, it is requested this documentation be forwarded to this office, to my attention (see address below), so as to be received *NLT COB, Friday, July 11* (tomorrow). There can be no extension to this request.

Use Federal Express account billing number 182 571 040 for the shipping. The use of this account number is a one time event and we have to account for the use of the account, therefore, have a copy of the shipping bill forwarded to me via facsimile (see number provided below) then ensure the account number is no longer available for future use.

I will be in the office until after the Quality Assurance telephone conference if you should ~~have~~ any questions. After that and if necessary call me on my cellular telephone [REDACTED]
